## WORK EXPERIENCE

**CU Anschutz-Biology Internship**

June-July 2023

On behalf of the Aaron Johnson lab, me and my team worked in the genetics department. Executed plenty of hands-on work with scientific technology such as CRISPR. Data entry, journaling, record findings, everyday.

**Speech & Debate Captain**

2022-2023

Led my speech & debate team during tournaments, scrimmages, and after school practices. Required lots of critical thinking. Developed leadership skills and advanced communication skills.
